

# COMPREHENSIVE THERAPY SERVICES

At Leaps and Bounds Therapy services, we specialize in pediatric work, and are committed to providing the very best in individualized, focused treatment for children and their families.

Using a team approach, Leaps and Bounds Therapy provides the best in pediatric physical, occupational, speech, aquatic and music therapy, as well as applied behavior analysis. It's all delivered in an environment designed specifically for the treatment and comfort of our younger patients in our Whitmore Lake and Howell locations. Our children's area features private treatment rooms, a large gym area, an indoor play structure and a therapeutic pool.

Our therapists are trained in a variety of intervention programs for our younger patients, including neurodevelopmental treatment; sensory integration; therapeutic listening, interactive metronome, craniosacral therapy, kinesiotaping and brain gym. We have a wide variety of expert therapists on staff that specializes in areas from minor issues to treatment for complex, medically fragile patients.

Leaps and Bounds Therapy offers one of the most comprehensive therapy programs for kids in Michigan.

# COMMITTED TO EXCELLENCE IN PEDIATRICS

Our staff is committed to professional excellence and will provide intervention that is customized to your child and family's needs.

## OUR CLINICS

Our clinics are therapist owned and operated. Alison Barnett, PT, DPT, has over 15 years of experience in a variety of settings. She is dedicated to professional excellence and is a member of the APTA and Private Practice Section.

We offer private treatment rooms, large gym areas and indoor play structures at each of our clinics. Leaps and Bounds Therapy works with children of all ages, from birth on up, and there's no age limit. We accept most insurances, and have a competitive private-pay rate.

We want to meet you and your family. Call for an appointment or stop by for a tour of our clinics.
